Celebrating the power of philanthropy – The N J Edwards Hub and beyond

As we reflect on the remarkable journey we have embarked upon this year, it is with deep gratitude that we share the impact of your generosity in shaping the future of our school. This edition celebrates our five-year journey of advancing and growing a culture of giving at Hutchins.

A vision realised – The N J Edwards Hub

Our commitment to the School Vision of providing an inspiring education where each student strives to achieve their personal best is vividly embodied in the realisation of the N J Edwards Hub. This state-of-the-art facility, made possible by your unwavering support, will stand as a testament to our collective vision of providing an unparalleled learning environment. The Hub is not just a building; it will become the heart of our campus, a place where our whole school community will come together to foster connection and inspire generations of Hutchins students.

A milestone celebration – The Groundbreaking Lunch

The Groundbreaking Lunch was a pivotal moment this year, marking the beginning of a new chapter in our school's history. This event was not only a celebration of a significant milestone in the School's long history, namely the pending commencement of construction of the most ambitious building project in the School's history at the Sandy Bay site, but also an opportunity to acknowledge the collective efforts of our generous community that has enabled the realisation of this aspirational dream.

International recognition – 'Best of CASE Asia-Pacific' Award

Our efforts in fostering a culture of giving were recognised at the CASE Asia-Pacific Awards in Melbourne earlier in the year. Receiving the 'Best of CASE Asia-Pacific' award for the Make Your Mark campaign was testament to the unwavering commitment to advancement led by the hard work and dedication of our Advancement Office together with the generous support of our community.

The heart of our success – The Advancement Office

The success of our Giving Program in 2023 is a direct result of the strategic and determined efforts of our Advancement Office. Their dedication to nurturing relationships, fostering community engagement and driving our fundraising initiatives has been pivotal in realising our goals.

A heartfelt thank you to our donors

Lastly and on behalf of current and future generations of Hutchins students, I extend my deepest gratitude to you, our generous donors. Your belief in our mission and your commitment to this most important cause have been the driving forces behind our success. Your support has not only enabled us to achieve our immediate goals but has also laid the foundation for future generations to thrive.

As we look forward to the continued growth and success of our school, we are reminded that it is your support that makes this all possible. Together, we are crafting a legacy of opportunity – a legacy that will resonate in lives of generations of Hutchins students to come. 🌟

– Dr Rob McEwan Principal

Five years of impact – building our legacy together

In 2018, The Hutchins School embarked on a significant journey in advancing and growing our culture of giving. As we mark the fifth year of progress building a giving program, we take this opportunity to reflect on what we have achieved and to look forward to further growth.

Five years ago, we set out with clear goals guided by the School Board's Vision. Our efforts in the Make Your Mark campaign have been fruitful, achieving well beyond our initial target. We are proud to have raised more than \$15.5M in total, with \$14.7M raised in the five years from 2019. The development of the N J Edwards Hub has now commenced, and when complete will provide new opportunities for student connection and learning.

We extend our sincere thanks to the Edwards family for their significant support. Their generosity has been vital in the development of the N J Edwards Hub, enhancing our school's facilities and providing new resources for our students and staff. Neale John Edwards (known as John) was a proud Old Boy and generous philanthropist.

The contribution of our alumni, particularly the Old Boys network, has been significant in our fundraising efforts. Their commitment and support have been invaluable in helping us achieve our goals, demonstrating the lasting connection and loyalty to our school.

We have had another busy year, launching our inaugural Online Wills campaign, holding our third successful Giving Day, as well as launching the Take Your Seat campaign. Thank you to all who have contributed to another year of progress in our quest to build a successful, sustainable and enduring giving program.

We thank all our donors and supporters for their contributions. Your support has been essential in our achievements over the past five years. The Advancement Office remains committed to responsibly and effectively pursuing our objectives, with a continued focus on the future of the School.

We invite you to consider how you might support the giving program. For further information about our current Take Your Seat campaign, please visit takeyourseat.hutchins.tas.edu.au. Your involvement is crucial in helping us build a secure foundation for the future. 🌟

Celebrating an important milestone – The Groundbreaking Lunch

On Thursday 2 November 2023, we reached an important milestone in the School's journey to realise the Signature Building. This milestone was celebrated with a groundbreaking ceremony, featuring the naming of the building as the N J Edwards Hub.

As a school that places development of character at the heart of everything we do, the Board's decision to name the building in honour of Neale John Edwards ('59), a man who exemplified the School's values of humility, kindness, courage and respect, serves as a shining example to generations of Hutchins students to come.

Known as John, those who knew him well described him as quiet and modest. A true gentleman of deep integrity and character who was respected by the community. A kind, humble and thoughtful man.

Vivit Post Funera Virtus, character lives on after death. 🇺🇸

Neale John Edwards ('59)

17 November, 1941 – 8 April, 2021

- Entered Hutchins in 1947
- School Captain in 1959
- Very successful business career
- A man of character and humility
- Exemplar of the School's values – humility, kindness, courage and respect

'As a proud Old Boy I've witnessed firsthand the remarkable journey we've embarked on over the past five years. The realisation of the N J Edwards Hub is testament to the strength of our community, including the Old Boys.'

Making a meaningful difference

The Hutchins School has nurtured the character of generations of students whose lives and values have been shaped by exceptional learning experiences.

Dr Sam Johnston ('12), former School Captain, is an alumnus who is applying his medical expertise to make a meaningful difference in the health of vulnerable communities worldwide.

Sam recently graduated from Harvard University with a Master of Public Health in Health Management, receiving the prestigious Gareth M. Green Award for Excellence in Public Health, Harvard's highest student award for public health practice. This recognition stems from Sam's significant contributions to the not-for-profit organisation, Hospitals Beyond Boundaries, where he conducted a comprehensive review on providing impactful and sustainable healthcare in Phenom Penh, Cambodia.

Reflecting on his journey, Sam recalls how the School's dedication to cultivating a culture of service has left an indelible impact on him. Indeed, his early exposure to philanthropy at Hutchins laid the foundation for his commitment to serving others.

'The School encouraged us to actively contribute to our community and to assist those who needed a helping hand. This has had a lasting impact on how I see the world and my role in it.'

Sam also credits the 'incredible teachers and mentors' whose unwavering support influenced his outlook and values during his formative years at Hutchins. These meaningful relationships gave Sam the confidence to explore and develop his passions and interests. 'We had such inspiring teachers, people like Dr Jill Abell and Chris Rae, they always had your back'.

Back in Australia, Sam is currently working as a Critical Care Resident at Austin Health having previously worked at The Royal Melbourne Hospital. As a testament to his achievements, Dr Johnston was honoured as the HSOBA Young Alumni Award winner in 2023. 🏆

Celebrating the 1846 Society's commitment to legacy and leadership

We are grateful to the Bequest Working Group (BWG) members for volunteering their time and expertise in supporting the Gifts-in-Wills program at the School.

The BWG provides strategic oversight of the Gifts-in-Wills program and is focussed on growing membership of the 1846 Society and the stewardship of its members. In addition, the BWG monitors and reviews bequests received by the School and reports to the School Board via the Foundation Committee.

The BWG meets quarterly and comprises of individuals who have provided philanthropic leadership within the School either by declaring their intention to leave a bequest and/or have a history of giving during their lifetime.

Over the last 12 months the BWG has focussed on a range of strategic initiatives to support the Gifts-in-Wills program. They include establishing our Online Wills service through our partnership with Safewill and implementing a tailored approach to stewarding 1846 Society members.

At the end of 2022, two members of the BWG concluded their involvement and we thank Tim Johnstone ('77) and Pam Corkhill for their significant contributions. Tim was Chair for several years and has now stepped away to focus on his role with the School Board.

The BWG welcomed new member, Gene Phair ('87) as Chair. We extend our thanks and gratitude to Gene and members David Brammall ('56), Gillian Groom AO, Rob Hues, David Morris ('78), John St Hill ('60), Robert Dick ('53), John Groom ('86) and Mrs Anna Beattie for their valued contributions this year.

The Advancement Office is pleased to invite Old Boys, donors and special members of our school community to join us for events and campus tours. These occasions aim to actively engage participants in conversation about the School's future plans and foster connections with individuals interested in supporting the School through bequests or tax-deductible donations. If this is of interest, please contact Mrs Anna Beattie to schedule a suitable time.

Notes of Kindness Sheng-Yuan Lynch's path to philanthropy

As a community, we aspire to be people of integrity who act with humility, kindness, courage, and respect.

Sheng-Yuan Lynch ('23), a 2023 graduate of the School of Performing Arts Music Scholarship, started his piano journey at the tender age of three. His introduction to piano began with learning by ear, revealing an innate passion and strong intuition for music. Subsequently, under the careful guidance of his teacher Shan Deng, he has achieved notable success winning numerous awards and piano competitions, while also obtaining the highest qualification from the National Music Examination Board, the Licentiate in Music, Australia (LMusA) diploma examination on piano with Distinction.

Beyond his personal achievements, Sheng-Yuan's character shines with humility, showcasing his genuine desire to make a positive impact on the world. For him, music is more than a personal gift; it can serve as a powerful tool to bring about change in the lives of others. This philanthropic mindset has motivated Sheng-Yuan to utilise his musical talents to generate support for various charitable causes.

Sheng-Yuan's philanthropic initiatives started at the age of 11 when he held his first charity concert to raise funds for Ronald McDonald House Charities. His commitment to giving back has inspired additional concerts raising funds to support causes such as The Hutchins School Music Faculty, Variety Tasmania and the Red Cross Australia Bushfire Emergency Appeal where he raised a remarkable \$110,000.

In 2019, in an impressive display of dedication, Sheng-Yuan organised a live-streamed, three day piano-a-thon fielding song requests from around the world. This unique initiative not only showcased his musical versatility but also raised funds for Save the Children Australia, further advancing his mission to make a positive impact through music. Sheng-Yuan was honoured with the 2021 Young Citizen of the Year Award at the Australia Day Awards in Hobart in recognition of his philanthropic work.

Looking ahead, Sheng-Yuan will commence a Bachelor of Music at the University of Tasmania, while assisting the School's Music Faculty. His story stands as a testament to his exceptional talent, disciplined practice and unwavering commitment to using his gifts to serve his community. 🎹
